1. A Russian advisor, Fedin (fnu), has been assigned to HV Schiffbau of the East German Ministry for Heavy Industry. His name was already known to the officials of HV Schiffbau, because he is the same man who previously handled shipbuilding matters for the Karlshorst Soviet headquarters. He has an office in the HV Schiffbau building. He attends some of the important meetings at the HV, and he usually goes to see the HV chief rather than the other way around.
